Date: Wednesday, January 23, 2013
Location: Fairchild Semiconductor, 333 Western Ave. South Portland, ME
Attendance: 5 Members (1 participated via conference call)
Subjects Covered: Awards available, training options, meeting frequency

Noon - Attendees arrived and meeting began

- Bruce Lewis announced that the Maine Chapter has officially won the *ASIS Web Site of the Year Award*.
- Jim Caldwell & Bruce suggested that there are many other awards available and that the board should investigate whether there are any others that the Chapter could qualify for.
- Committee Members were reviewed:
 - Membership: Aarin Miles, Brad Norris and John Cleary
 - Legislative: Brad Norris, Larry Fitzgerald
 - Certification: Bruce Lewis
 - Law Enforcement: Lou McAuliffe
 - Web Master: Tim Parker, Brenda Lane, (Brad Norris to assist with Web advertising)
 - Scholarship: Tim Parker
- Membership survey results were reviewed:
 - 11 surveys were turned in
 - The results were varied, it was determined by Bruce and Jim Fraser that we would wait a few more days to tabulate the final results as we were made aware that a few members were still planning to turn theirs in,
- The board agreed that the general consensus appears that we should reduce the overall number of meetings held each year and focus the extra time on adding value to the meetings that are held.
- Research will begin on webinars that are available to the chapter and that would have value to the membership.
- Plans were finalized for the February Meeting.

13:30 - Meeting adjourned
